

Electrical Part for Forklifts

Electrical Parts for Forklifts - Forklifts could be purposely labeled to be used in hazardous locations. A labeled truck indicates the design has met the minimum standards of ANSI/UL 558 intended for engine powered trucks or ANSI/UL 583 for electric lift trucks for the type of label attached.

Applications for marked forklifts may be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance provider and Fire Marshall for more information on the approved uses of industrial powered lift trucks in your application.

If the lift truck has been proven to satisfy the outlined criteria, the following labels could be placed. A labeled truck would have the type designation located on the lift truck nameplate and would have one of the following labels put.
