

Nissan Forklift Parts

Nissan Forklift Parts - Nissan takes great pleasure in attaining overall client satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and detail-oriented quality standards to their customers. Incorporating a rich heritage combined with solid manufacturing principals, Nissan Forklifts offer many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the business has four distinct production facilities that permit them to persistently adapt to their customers continually evolving needs by offering an assortment of progressive ideas and concepts.

The Nissan Lift truck North and South American base is stationed in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the support, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to maintain environmental accountability by using methods that reduce the worldwide impact of their products and processes. These high values remind consumers that Nissan operates under the quality seal that their customers demand whilst being an environmentally responsive company.

Nissan is certain that they will be able to address any consumer inquiries or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community authorized sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
