

## Yale Forklift Part

Yale Forklift Parts - Yale Materials Handling Corporation is a worldwide association that's part of the NACCO Materials Handling Group or otherwise known as NMHG. NAACO Materials Handling Group is the biggest manufacturer of lift trucks in the USA. They've \$1.5 billion in revenues, making them the third biggest all over the world. NMHG designs, engineers, builds and sells a whole series of lift trucks under the Yale trademark. The lift trucks are made in USA, the UK, the Netherlands, Mexico, Ireland, Scotland, Brazil, Japan and Italy. The retail sales of lift trucks and replacement parts are sold, supported and serviced by Yale licensed sellers.

Yale stands by their commitment in being a leader in the material handling trade. They proudly give far more than the most complete series of forklifts. Each of their forklifts include the help of the whole company. Their skilled service technicians have each and every choice accessible to manage and finance your lift truck fleet. The strategically located dealer community offers clients excellent flexibility and customer assistance.

Yale gives a complete line of high quality objects, assistance and equipment. Several their own products include gas, electric, LP-gas and diesel driven lift trucks, very narrow aisle and motorized hand trucks. Yale is a leading supplier of training, parts financing and complete Fleet Management services too. With more than 80 years in the material handling trade, Yale is dedicated to providing their buyer's with a custom answer all of their needs.

In addition, Yale trucks are made in an ISO9001:2000 certified facility and range in capacity beginning from 2,000 pounds up to thirty six thousand pounds. Their skilled employees along with the support of their supplier network makes certain delivery of a great product each and every time.
