

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand offers solutions, services and products to be able to ensure efficiency and increase the productivity within residential, industrial and commercial environments. They pride themselves in delivering products to be able to enhance the security, health, safety and comfort of individuals all around the globe all through their four global segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building advanced controls, services and parts support used for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies division provides products and solutions that enhance their clients' productivity, operations and energy efficiency. The product range is diverse ranging from pumps and tools, material and fluid handling systems to complete compressed air systems. They have also developed Club Car, the international leader in golf and utility vehicles meant for businesses and people.

Brand names like Trane and Schlage provide residential solutions which offer safety, efficiency and comfort to home owners around North America. Their innovative products include electronic and mechanical locks, indoor air quality solutions, air conditioning and heating systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies provides products which ensure secure, safe and productive environments. This division's market leading products consist of door and floor closers, exit devices, portable security devices, biometric and electronic cabinet hardware, access control systems, steel doors and frames and locks, decorative hardware and locksets. Popular trade names such as Schlage even provide attendance, personal and time scheduling systems.
